

## **Barcamp Südtirol**

### **What is a Barcamp?**

Barcamp Südtirol is a platform for exchanging knowledge as well as networking amongst those in the tourism, communication and information technology sectors. The thematic focus of the event is the use of digital technologies in tourism.

**In 2019, the "Barcamp Südtirol" on social media issues and internet use will be held for the ninth time.**

The event is organized in cooperation between NOI Spa, IDM Südtirol, the Hoteliers- und Gastwirteverband (HGV) and Merano Tourist Office, who are the main organizers of this event.

The aim of the event is to bring together internet-savvy participants for a knowledge exchange. The Barcamp's topics are internet and new media.

### **What can I expect from Barcamp Südtirol?**

1. Barcamp Südtirol offers a very good framework to find out about new developments around the topic of social networks. The topics Internet and electronic media play a central role here.
2. For many IT professionals, marketers and other professionals, it is important to engage with new topics and ideas to develop new products and approaches. The barcamp is ideal for that.
3. A Barcamp is not a dry event, but a meeting with life and constructive discussion culture.

### **Who do you sponsor at this event?**

- You reach tourism businesses and associations.
- You reach IT experts, marketing consultants and other innovative experts who are open to new ideas, products and services.
- You present yourselves in an innovative environment.
